Miss Mona's Child Care Center 107 Tremont Street Hopedale, IL 61747 (309) 449-4900

Introduction

Welcome to Miss Mona's Child Care Center! We feel that every child has the right to receive quality child care in a child-centered program. We offer a safe and nurturing environment in which your child can learn and have fun. Children are offered opportunities to develop cognitive, social, emotional and physical skills. Developmentally appropriate activities are planned for each age group and offer a wide range of hands-on experiences. Children develop skills that will be used all their lives through play experiences, and we consider "play" to be a child's "work".

We encourage parents to visit the classroom whenever they can. Daily sheets will be filled out for each child ages 6 weeks to two years. Teachers provide information about the child's activities, meals and naptime. Please feel free to speak with the teachers or director about any suggestions or concerns. Comments may also be left in the payment box. If you have confidential communications regarding the Director, or if problems are not getting resolved to your satisfaction, please contact the Hopedale Medical Complex Chief of Operation Office at 309-449-4296.

Admission

Our center is open to all children ages 6 weeks through 6 years. Beginning, June 2010, only children of Hopedale Medical Complex and siblings of current enrollees, ages 4 years of age and over. Unless granted pre-approval by the CEO. Hours of operation are 5:30 a.m. to 5:30 p.m.

Miss Mona's offers **all-day child care** available for children ages 6 weeks to kindergarten on a full-time or part-time basis. Days and times must be arranged in advance.

All children must be registered in advance and must comply with the Department of Children and Family Services regulations in regard to physical exams; immunizations, including a TB skin test and lead screening or waiver; and other appropriate paperwork. All enrollment paperwork must be completed before a child can receive services.

Tuition

- Tuition is determined according to current rates as from time to time determined by management. A rate sheet is included in the enrollment packet.
- Tuition is due weekly and no later than the child's first day of attendance.
- Checks made payable to **Hopedale Medical Complex** and can be placed in the payment box in the parent information area.
- Drop-in fees are due the day services are rendered.
- Families enrolling more than one child will receive a 10% discount.
- HMC employees may use payroll deduction.

Fees

- Late pick-up fee If your child is not picked up by the center's closing time, you will be charged \$10.00 for the first 15 minutes and \$1.00 per minute thereafter.
- Late payment If payment is not received by your child's second day of attendance there will be a \$5.00 fee added to the weekly tuition. Failure to provide payment for two weeks may result in refusal of admittance unless payment arrangements have been made with the child care director.

- Insufficient funds A fee of \$20.00 will be charged for each returned check. After two returned checks, you will be asked to make tuition payments in cash.
- Responsible Party (parents and guardians) agree to pay collect on costs and reasonable attempts filed if sent to collections is required.

Vacation / Sick Days

- Each family receives two (2) weeks of tuition free for vacation or sick days based on the number of days the child is enrolled.
 - If your child is enrolled full-time, five (5) days per week, you will have ten (10) days.

Therefore, if your child is enrolled two (2) days per week you will receive four (4) vacation days.

- Vacation / sick days are effective January 1st each year and may not be carried over from the previous year.
- Time may be used by the day.

Severe Weather

In case of severe weather the Director will make the decision as to close the
daycare for our children's safety, as well as our staff members. Announcements
and notifications will be made at the time of the closing. All tune into NBC
25/WHOI 19/WEEK television channels, for update reports. We reserve the right
not to adjust your tuition whether the center is open for all or part day due to
severe weather.

Holidays

- The center will be closed on the following holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day.
- There is no adjustment to your tuition unless you choose to use a vacation day.

Termination of Service

- We ask that a two-week notice be given, in writing, if you choose to end service. If possible, more notice would be appreciated.
- The center reserves the right to re-evaluate any child's continued participation in the program. The center may request withdrawal of the child and will recommend a suitable alternative that may better suit his or her needs. A two-week notice will be given unless the child is an immediate danger to himself or others.

Drop-off and Pick-up Procedures

• When dropping off your child, please be sure to clock them in, and out when picking them up. An I.D. number will be assigned for you to do so. This number will also be your keyless entry number. We ask that your child be at the center by 9:30 a.m., if possible. When coming after 9:30 a.m., your child misses part of the morning routine and classroom involvement. This also helps us calculate staffing as well as meals. Please call the center if you know your child will be later than 9:30 a.m.

Your child will only be released to persons listed on the Pick-up Authorization form. The center staff is only allowed to release your child only to those on the pickup list unless you notify the Director in advance. The pickup person must be at least 18 years of age or older, unless it is the child's parent.

Anyone with whom the staff is not familiar will be asked to present a photo I.D.

Illness

- All children attending the center should be well enough to participate comfortably in daily indoor and outdoor activities.
- Children with a fever of over 101 degrees Fahrenheit should be excluded from care while the fever persists.
- Children need not be excluded for minor illness unless any of the following exists, in which case exclusion from the center is required by DCFS Licensing Standards:
 - An illness which calls for greater care than staff can provide without compromising the health and safety of other children
 - Rash combined with fever over 101 degrees Fahrenheit
 - Rash with a fever or behavior change, unless a physician has determined the illness to be non-communicable
 - Unusual lethargy, difficulty breathing or other signs of possible severe illness
 - Diarrhea (child will be sent home after 3rd watery stools) or diarrhea combined with fever of 101 degrees or higher
 - Vomiting two or more times in the previous 24 hours

 - Children who have been absent due to a contagious disease (including, but not limited to, the above listed illnesses) must have prior written consent from a physician upon return to the center when the disease has not completely run its course

- The center reserves the right to require a physician's written consent to return to child care when a contagious disease is suspected.

Medication

- All medications must be signed in daily on the Medication Chart located in your child's room. Please include specific instructions on the administering of any medicine. We ask that you do not sign medicine in to be given "as needed". We feel strongly that "as needed" should be a decision made by a parent and not left to the discretion of the child care staff.
- Prescription and over-the-counter medications must be given to a teacher for proper storage.
- All medication must be in the original container. Prescription medication must display the proper pharmacy label with the child's name. Over-the-counter medication must be labeled with your child's name.
- Medicine will not be given before 9:30 a.m.

Medical Examinations and Immunizations

- All children enrolled in the centers' programs are required by DCFS regulations to have a physical exam on file completed no more than six (6) months prior to enrollment. The exam shall be updated every two (2) years. School-age children must provide a copy of their current school physical.
- In accordance with the Child Care Act of 1969, as amended, a parent may request that immunizations, physical examinations and/or medical treatment be waived on religious grounds. A request for such waiver shall be in writing and kept in the child's record.
- Exceptions made for children who should not be subject to immunizations or tuberculin tests for medical reasons shall be indicated by the physician on the child's medical form.
- The number of non-immunized children enrolled shall be available to parents on request.

Emergency Medical Treatment

All accidents occurring on the center's property must be reported to the Director. First aid will be administered by the staff for minor scrapes, cuts and bumps. In serious cases where immediate medical attention is required, the parents or emergency contacts will be notified. If the center is unable to reach anyone, the child will be treated in the Hopedale Medical Complex Emergency Room, and the parents/guardians are consenting thereto.

Personal Items

- All children will have a basket or cubby labeled with their name to store personal items such as extra clothes or a small stuffed animal for naptime.
- All items need to be labeled with your child's name.
- Please do not allow your child to bring toys or other "treasures" to the center. These items often get lost, broken or cause conflict between the children. Your child's teacher may choose to designate a special show-and-tell day when the children can bring a small item to share with the class. Absolutely no war toys will be allowed into

- the center. Playing or acting violently as "Power Rangers", Ninjas, etc. will not be tolerated.
- Children are welcome to bring a book to share with the class occasionally. Please be sure to mark it with your child's name and be prepared to leave it for a couple of days as the teacher may not be able to read it the same day.

Field Trips

All classrooms take short walking field trips. The children may walk to the nearby park or pond.

The 3&4 year old classroom take outside fieldtrips periodically. The HMC bus is used for these fieldtrips. In order to allow your child to go on a fieldtrip, a permission slip must be signed, and a car seat available for the bus.

Meals and Snacks

- The center serves breakfast, lunch, and two snacks in accordance with the nutritional guidelines of the Department of Children and Family Services.
- Children are not allowed to bring food into the classroom. You may occasionally bring a snack for the entire class to celebrate a special day such as a birthday or holiday. Unfortunately, we are not allowed to serve homemade treats. All treats must be in unopened packages from the store or bakery.
- If your child eats on the way to the center, please have him/her finish eating before entering the classroom.

Dress Code

- Children will go outside daily except in extreme conditions. Your child's attire at the center should be chosen with regard to activity and comfort. Remember that spills, paint, dirt and glue happen!
- For safety and comfort reasons, we highly recommend that tennis shoes and socks be worn daily.
- Sandals are not recommended. Children often have difficulty running and climbing in sandals. Socks should be worn if your child must wear sandals.

Supplies and Extra Clothes

We ask that parents provide the following items:

- Blanket for naptime (child sized)
- Complete change of clothes including socks to be left in the child's basket (3 or 4 if potty training or prone to accidents)
- Disposable diapers or training pants (if needed)
- · Pacifier (if needed)
- Weather appropriate outerwear

Donations

Miss Mona's Child Care Center accepts any clean, safe indoor or outdoor toy donations for appropriate age levels. Please check with the director before donations occur.

^{*}Please remember to put your child's name on all items.

Guidance and Discipline Policy

Our child care staff will help individual children develop self-control and assume responsibility for their own actions.

- Limits and consequences shall be clear and understandable to the child, consistently
 enforced and explained to the child before and as part of any disciplinary action.
- Firm positive statements about behaviors or redirection of behaviors shall be the accepted techniques for use with infants and toddlers.
- Removal from the group to help a child gain control shall not exceed one minute per year of age and will be used if the child cannot be redirected. Removal from the group shall not be used for children less than 24 months of age.
- Children shall not be disciplined or shamed for toilet accidents.
- Discipline shall be the responsibility of the adults who have an ongoing relationship with the child.
- When there is a specific plan for responding to a child's pattern of behavior, all staff who affects the child shall be aware of the plan and cooperate with its implementation.

The following behaviors by staff and children are prohibited in all child care settings.

- Corporal punishment or threats of corporal punishment including hitting, spanking, swatting, beating, shaking, pinching and other measures intended to induce physical pain or fear.
- Threatened or actual withdrawal of food, rest or use of the bathroom.
- Abusive or profane language.
- Any form of private or public humiliation including threats of physical punishment.
- Any form of emotional abuse including shaming, rejecting, terrorizing or isolating a child.

Parents/guardians are seen as partners in the guidance and discipline process. On occasion children may exhibit some behavioral challenges. Child care staff will openly share concerns and suggestions regarding the child's behavioral challenges and parents are encouraged to do the same. By working together, parents and staff can provide consistent guidance and discipline. Should challenging behaviors persist; parents will be asked to attend a conference with the classroom teacher and child care director in order to discuss additional strategies to assist the child in managing his or her behavior in the classroom. In the case of extreme or serious behavioral issues, the parent may be asked to remove the child from the center for the day. If behavioral issues cannot be resolved satisfactorily, parents may be asked to withdraw their child from the center. Parents will be given a two-week notice unless the behaviors are so disruptive they seriously impact the classroom activities.

Mandated Reporter

The Abused and Neglected Child Reporting Act requires a wide range of professionals to report suspected child maltreatment. Under this law, all child care staff is considered to be mandated reporters and are required to report suspected child abuse or neglect immediately to the Department of Children and Family Services. Willful failure to report suspected incidents of child abuse or neglect is a misdemeanor. State law protects the identity of all mandated reporters, and they are given immunity from legal liability as a result of reports they make in good faith. State law does not require that the mandated reporter notify parents of the report.

Pest Control

If the need for use of pest control arises, there will be a note posted at the center 48 hours beforehand. It will only be done after hours and/or on the weekend. If you wish to be notified verbally, please let the director know.

PARENT LETTER FOR CHILD CARE CENTERS

July 1, 2017 Through June 30, 2018

Parent or Guardian:

This child care center participates in the USDA Child and Adult Care Food Program (CACFP) and receives Federal funds to provide healthy meals and snacks to all of the enrolled children. The amount of reimbursement the center receives is based on the information you provide on the attached Household Eligibility Application. Part of the USDA requirement is to ask you to complete the application. If your income is equal to or less than the income listed in the chart below for your household size, the center will receive a higher level of reimbursement. Read the attached instructions carefully and fill out all required information. We cannot approve an application that is not complete. Please return the completed application back to our center as soon as possible.

If a member of your family (child or adult) receives Supplemental Nutrition Assistance Program (SNAP) or Temporary Assistance for Needy Families (TANF) benefits; or you care for a foster child that is the legal responsibility of the State through DCFS or the court, these children are eligible for meal benefits regardless of your household income.

If your income(s) is over the income guidelines listed below, you are not required to complete this application; however, it would be helpful if you would write your child's name on the application and return it to our center. Please notify us, if you or someone in your household becomes unemployed and the loss of income causes your household income to be within the income eligibility standards.
