

Take the first step in your healthcare career by applying for the HMC Resident Attendant to CNA Bridge Program.

Why Should I Consider A Bridge Program?

- ❖ Work full-time while also completing classes to prepare you for the CNA exam
- ❖ Offers you the opportunity to gain confidence and competencies in the healthcare field
- ❖ Provides you hands-on experience in a real healthcare setting
- ❖ Have your CNA Exam costs paid for and enable opportunities for future nursing scholarships
- ❖ Accelerated program pace

Qualifications

- ✓ Be at least 16 years of age, of temperate habits and good moral character, honest, reliable and trustworthy.
- ✓ Be able to speak and understand the English language or a language understood by a substantial percentage of the facility's residents.
- ✓ Has completed the Health Care Worker Background Check.
- ✓ Has completed at least eight years of grade school or provided proof of equivalent knowledge.
